provided that the unauthorized use did not result from the Consortium and relevant Institution(s)' own negligence or willful misconduct and that the Consortium and relevant Institution(s) did not permit such unauthorized use to continue after having actual notice thereof. The Consortium and relevant Institution(s) will be responsible for the adherence to the terms and conditions of this Agreement by a third party provider the Consortium and relevant Institution(s) engages, in particular, if such third party provider supplies and manages IP addresses.

### 3.3 *Security Requirements.*

The Subscriber will promptly notify Elsevier if it determines that there has been a failure of such safeguards if such failure results in a compromise of the confidentiality or security of any Elsevier Content provided hereunder and cooperate with Elsevier's reasonable requests surrounding such failure, including taking appropriate steps to end such activity and to prevent any recurrence. For the purpose of this Section 3.3, "Elsevier Content" means any material or information which Elsevier provides or makes available to the Subscriber in connection with the Subscribed Products and performance of this Agreement.
